Sequence of events (beginning, middle, end)

In the morning, at home, Alexander got gum in his hair, tripped on his skateboard and did not get a prize in his cereal.

ind.

During the day, Alexander had trouble with math, and had a fight with his friends. After school, he had a cavity, fought with his brother and did not get the shoes we wanted.

verbal

Back home at night, more bad things happened. He had lima beans for dinner, got soap in his eyes and had to wear his railroad pajamas.
